The break time shall, if possible, run concurrently with any break time already provided to the employee. Workers' Compensation

Sabrina Enterprises, Inc., a CA Corp. dba Dwayne's Friendly Pharmacy, in accordance with state law, provides insurance coverage for employees in case of work-related injury. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax free, to replace lost wages; and
- Assistance to help qualified injured employees return to suitable employment.

To ensure that you receive any workers' compensation benefits to which you may be entitled, you will need to:

- Immediately report any work-related injury to your supervisor;
- Seek medical treatment and follow-up care if required;
- Complete a written *Employee's Claim for Workers' Compensation Benefits* (DWC Form 1) and return it to Andrew Wilson or Susan Wilson; and
- Provide the Company with a certification from your health care provider regarding the need for workers' compensation disability leave, as well as your eventual ability to return to work from the leave.

Upon submission of a medical certification that an employee is able to return to work after a workers' compensation leave, the employee under most circumstances will be reinstated to his or her same position held at the time the leave began, or to an equivalent position, if available. An employee returning from a workers' compensation leave has no greater right to reinstatement than if the employee had been continuously employed rather than on leave. For example, if the employee on workers' compensation leave would have been laid off had he or she not gone on leave, or if the employee's position has been eliminated or filled in order to avoid undermining the Company's ability to operate safely and efficiently during the leave, and no equivalent or comparable positions are available, then the employee would not be entitled to reinstatement.

An employee's return depends on his or her qualifications for any existing openings. If, after returning from a workers' compensation disability leave, an employee is unable to perform the essential functions of his or her job because of a physical or mental disability, the Company's obligations to the employee may include reasonable accommodation, as governed by the Americans with Disabilities Act.

The law requires Sabrina Enterprises, Inc., a CA Corp. dba Dwayne's Friendly Pharmacy to notify the workers' compensation insurance company of any concerns of false or fraudulent claims.
